

Banbury Sub-Aqua Info Pack

Welcome

Firstly, as Chairman I would like to welcome you to The Banbury Sub-Aqua Club and hope your time with us is enjoyable and happy!

In this info pack you will find everything you need to know to get you used to the club, training in the class room, pool and open water. If however there is anything you are unsure of please don't hesitate to contact myself or any other member of the committee. Our website has more detailed information on various aspects.

The pack will cover the following:

1. Structure of the club.
2. Contacts.
3. Training times and venues.
4. Use of club kit and general rules.
5. Cost of kit hire.
6. Copy of the clubs official rules.
7. In-depth guide to Stoney Cove

1 – Structure of the Club

- 1.0 Banbury Sub-Aqua Club is affiliated to the British Sub-Aqua Club (BSAC), the largest diving club in the world.
- 1.2 All BSAC clubs are run on a voluntary basis by their members and committee members. The committee consists of various positions which are required to run the club and committee members are backed up by a team of instructors.
- 1.3 The committee members are elected every year in our Annual General Meeting held in October each year and the club is funded by the member subscriptions.
- 1.4 Currently the club cost around £6500 per year to run. Cost includes for example: hire of facilities at Spiceball, compressor maintenance and insurance, boat maintenance and insurance, rates, water, electricity and insurance on the boat house and a few other expenses. For this reason the club relies on its members to get involved in events arranged, fund raising activities and so on.
- 1.5 The instructors give up a lot of time and money in helping members train to gain their qualifications of which they are not reimbursed from the club or any other source, so we kindly ask that should you not be able to make a training session or a trip to Stoney Cove, that you give the instructors as much notice as possible. As we have had in the past, instructors arriving only to sit and wait for a student that does not arrive. The same applies for the instructors, to give the students as much notice should they not be able to make it. Timing is also pretty tight especially during the week when we have a specific time slot for the pool. So it is best to be slightly early for your lectures or pool sessions so training can start promptly.

- 3.2 Pool sessions are held on a Thursday evening, in the pool at Spiceball from 9pm – 10pm. But you will need to arrive earlier to collect kit.
- 3.3 Please note times are pretty tight so please be punctual for training.

4 - Use of club kit and general rules.

- 4.0 Generally most students invest in a their own mask and snorkel to use whilst training, however these are supplied as is all the other kit you will require for the pool sessions. All kit is free to use to members who are currently training towards the completion of Ocean Diver. Once a student has qualified as an Ocean Diver he/she will be expected to hire any other kit they may need to further their training. However, most students start buying their own kit by this stage. Feel free to ask for advice/assistance when buying kit.
- 4.1 The club has its own compressor and air fills are free to club members. The compressor is run weekly on a Thursday evening from ± 8pm to ±9pm All kit that has been hired or used **needs to be returned** to the equipment room on a Thursday so the cylinders can be filled ready for the weekends diving and also to make sure we have enough kit for training and “Try Dives” in the pool on a Thursday evening.

Banbury Sub-Aqua Info Pack

If you can't bring kit back please let Duane know so he can make sure he has the correct items for the evening.

- 4.2 The person on compressor duty is within their rights to refuse to fill cylinders that are returned after 8.45pm and needing filling on the same evening.
- 4.3 If you have used some kit and have had problems, please report this to Duane or any committee member. Any issues with kit need to be sorted quickly and professionally and this can only be done if we are aware of any problems.

5 - Cost of kit hire.

- 5.0 Below is the cost involved in hiring of club kit:

ITEM	COST
Cylinder	£5.00
Regulator Set	£5.00
Fins	£1.00
Boots	£1.00
Weight belt & weights	£1.00
Buoyancy Compensator (BC)	£5.00
Hood	£1.00
Gloves	£1.00
Semi/Dry Suit	£5.00
Total cost for full set	£20.00

- 5.1 It is recommended that students acquire their own Semi dry or Dry suit as soon as possible as the club doesn't have a large range of these and they can be costly to hire throughout your training.

6 - Copy of the clubs official rules.

These can be found at the back of this info pack.

7 - In-depth Guide to Stoney Cove

- 7.0 Stoney Cove is one of a number of in-land training centres in the UK. As it is the closest to our club we use this venue for most of our open water training. Their website www.stoneycove.com has a host of info but below are the key parts you will need to know, but their website is well worth a visit.
- 7.1 Stoney Cove is open for diving 362 days a year. On weekdays, you can dive between 8:30 and 16:00. At weekends, diving is between 7:00 and 16:00 (BST), and 7:00 and 15:00 (GMT). You can also dive on

Banbury Sub-Aqua Info Pack

the first and third Wednesday evenings of each month between 18:00 and 21:00. Please note that this is charged as a separate diving session.

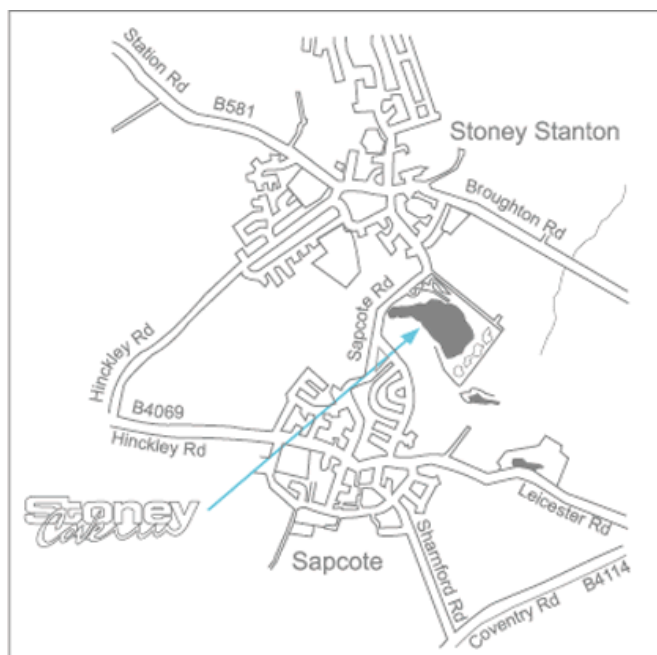

- 7.2 Diving at Stoney Cove costs £15 for each diving session. Or you can take advantage of a discounted entry fee of £10 per session by subscribing to their [Diverlog](#) registration scheme. Which is well worth it when first starting your diving career.
- 7.3 Stoney Cove does hire out kit, but booking in advance is advised. Booking can be done by calling the dive shop on 01455 273089. Please note this can be quiet expensive and you do need to provide proof of your qualification.
- 7.4 Stoney Cove generally gets pretty full and it's worth getting there early in order to get a car parking space down at the water's edge. Otherwise there are two large overflow car parks which you will be directed to upon arrival. When you arrive you will be expected to fill in a declaration form and pay your £15 or reduced rate of £10 if you have signed up to their Diverlog system. Generally members will meet up outside the dive shop at a pre-arranged time for a coffee/tea and to arrange the days diving activities or training. From this point your instructor will take over and give you all the info you need. There is the dive shop called Underwater World, which stocks everything you could possible need. There is also a "Burger Van" style hatch serving burgers, chips, cold/hot drinks etc as well as a bar and restaurant. Generally after the diving is complete we meet in the bar once changed for some food and refreshments and to give the instructors time to do their de-briefs and to also sign your log books.

7.5.1 Directions to Stoney Cove.

A47 Leicester to Hinckley Road, turn into the B581 to Stoney Stanton

From M1 junction 21 (Leicester) take M69 to junction 2, follow the B4069 to Sapcote

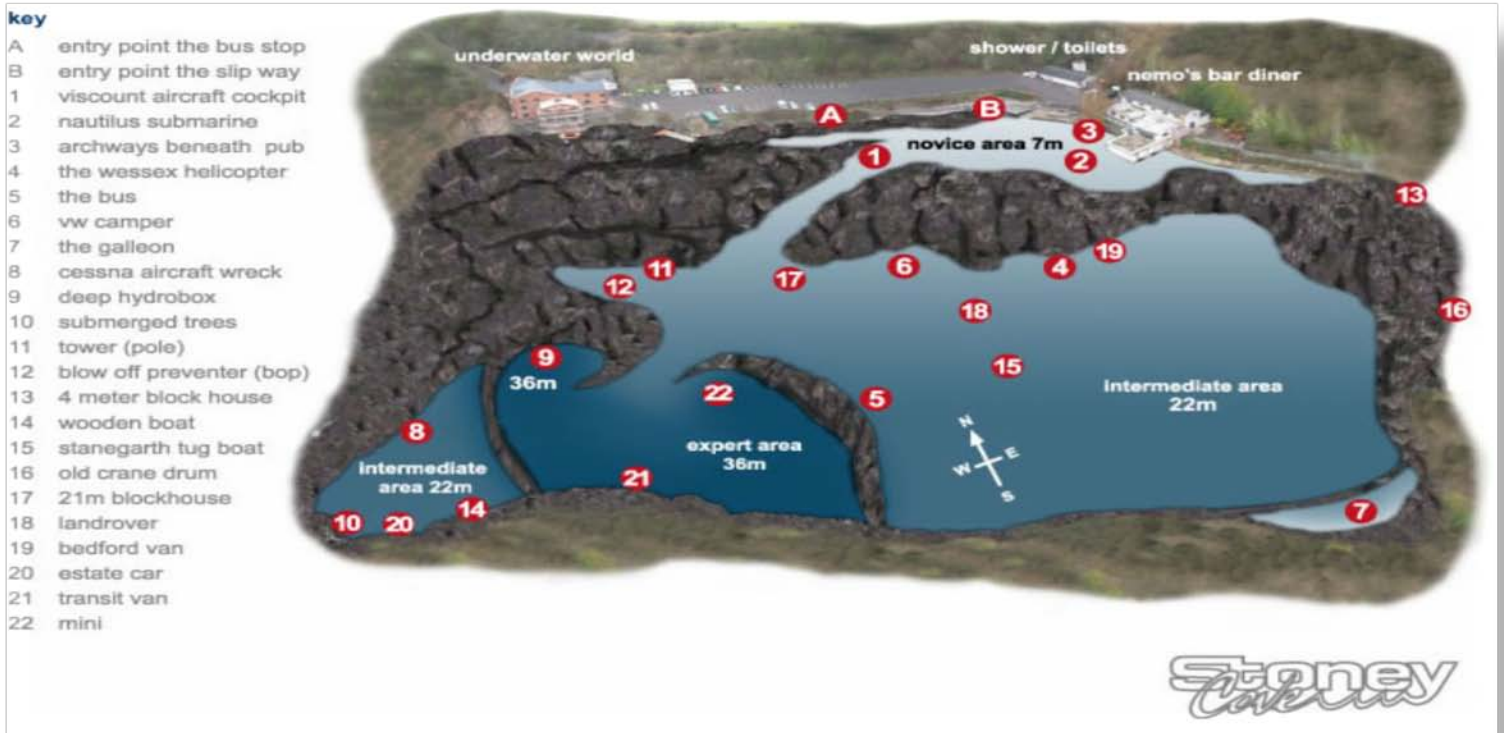

Leave the M69 North at junction 1 and follow A5 south. Turn onto B4114 to Sapcote

Lastly

I trust you will enjoy your training with us and get to experience all the wonderful things there are to be seen on a dive trip, whether it be local or abroad. I also urge you to take part in the clubs activities, social events and more importantly dive trips. We do go to a number of places each year and students are always welcome. If you find there is something lacking in the club or not happy about something, please don't hesitate to speak to me or any of the committee members. If we are made aware of things that aren't quite right we don't stand a hope in hell of making the club better, so please do tell us. I wish you all the best and safe diving.
